January 18, 2022

School Families,

We are looking forward to another year of growing and being a blessing to one another. The last two years have been a challenge that required trust, flexibility, and a lot of prayer. Thank you for your continued support and encouraging words. God has been so faithful in giving us a wonderful, loving, and caring staff, a hard-working, encouraging and very talented leadership team, also supportive, involved, and committed families. It is an honor to come alongside each of your families in, not only giving the highest quality education to your children, but also investing in their spiritual lives and developing our children with hearts that seek Jesus. During this time between in person and online learning, we have also wanted to help your children adjust to change, disappointment, and trust God in all situations. We count it a privilege to invest in their character development and spiritual growth during both good and challenging times.

We will continue to provide the things that are important to you:

- The patient, quality staff that nurtures and treats your child as their own, the individual attention they give your child, and the consistent discipline they employ.
- The ABeka Curriculum with its Spiritual emphasis, values, and challenging academics that includes cursive writing.
- Weekly worship in Chapel
- Special family activities: Grandparent's Day, Mother's Day, Father's Day, Christmas programs, etc.
- The Biblical foundation with daily Bible stories and Scripture memory.
- The structure.
- The small class size.
- The people skills, respect, responsibility, and study habits that set them up for success.
- The emphasis on the total person that includes health and nutrition education.
- The family support via resources, time off, and early release on Fridays for the K5, Elementary and 6th.
- The overall supportive, joyful, and organized atmosphere that feels like family: a place you can call home.

Registration will be complete when you have:

- Been cleared to register (Only NEW students require an interview)
- Turned in the Completed Registration Form
- Paid the Registration Fee

Enrollment will be complete when you have before or by May 15:

- Completed the ENROLLMENT FORM
- Turned in ALL the ENROLLMENT REQUIREMENTS (the documents requested)
- Paid the Student Fee

Sunshine Christian School is a ministry of Missio Dei Church, where we desire to always glorify God in everything we do. Our goal is to love and serve Him as well as each other. Our focus is to develop disciples who love Jesus and train up others to stand up for truth. We look forward to continuing to walk alongside you and your children. We are here to encourage, pray, and be a place of support for you, your marriages, and your families.

It is going to be another great year of learning and living life together.

A handwritten signature in black ink that reads "Pastor Tony & Charissa Lara". The signature is written in a cursive, flowing style.
